	Center Backup Childcare through Vivvi	Onsite Backup Childcare at BSC Centers	In-Home Backup Childcare	In-Home Backup Elder Care	Care Cash
<b>Description</b>	Emergency backup care for when your regular childcare plans fall through. Available at Vivvi's NY campuses or partner centers nationwide, close to home or work.	Emergency drop-in backup care at one of Boston Scientific's onsite centers. Backup care can be booked at Bright Horizons (Marlborough, MA), New Horizon Academy (Maple Grove, MN) or New Horizon Academy (Arden Hills, MN).	An in-home backup care option provided through a network of fully vetted caregivers.	In-home backup elder care provided through Vivvi's network of caregiving agencies. The person you are caring for does not need to live in your home, but the benefit is available only if you are the person taking off work to provide care.	Use Vivvi Care Cash for up to \$175/day reimbursement, less a \$10 co-pay per child, for backup care secured at Boston Scientific's onsite centers (New Horizon Academy Arden Hills and Maple Grove, MN, and Bright Horizons Marlborough, MA). A \$100 reimbursement is available for employees to make their own backup care arrangements through January 31, 2024. Beginning February 1, 2024, this option is only available if care cannot be secured through Vivvi, BH, New Horizons Academy or Bambino.
<b>Ages</b>	Vivvi campuses: 0-5 Partner centers: 0-5, select centers ages 6-12.	0-5	0-12	Adults of all ages	0-12 and adults of all ages
